

THE CHURCH OF  
JESUS CHRIST  
OF LATTER-DAY SAINTS

Logan Utah East Stake

Dear Brothers and Sisters:

Join the choir for Stake Conference.

Worshipping Heavenly Father and our Savior has always included praise through music. Participating in the collective experience of singing hymns in our congregations and ward and stake choirs creates a moment of Zion when we are all “of one heart and one mind.”

Stake conference is coming, and we have the opportunity to create a sacred worship experience in the stake choir. I invite all members of the stake, young, old, and in between, to join the stake choir. Rehearsals will begin this Sunday, March 1, at 4 p.m. at the Lundstrom Park Building. Additional rehearsals will be on March 8 and 15 at the Lundstrom Park building.

We have been invited to sing one song for the Sunday session that will be held in the tabernacle, and we will do a Mack Wilberg arrangement of Lead, Kindly Light. The general session of Stake Conference is on March 29, at 10:00 am in the Logan Tabernacle.

Come and join the choir so we can honour and praise the Lord together. It would be marvellous to fill the choir seats.

Sincerely,

Martha Rawlings
